Google Scholar • LinkedIn • Github

Dhaka, Bangladesh

RESEARCH INTERESTS

Machine Learning, Recommendation System, Image Processing, Deep Learning, Predictive Analytics, Collaborative Filtering.

EDUCATION

Jain (Deemed-To-Be University)

B.Tech. in Computer Engineering – Software Engineering
CGPA: 9.108/10.00

Bangalore, India

August 2020 - July 2024

RESEARCH EXPERIENCE

Jain (Deemed-To-Be University)

September 2023 – Present

Student Research Assistant under Mr. Karthikeyan S. (Assistant Professor)

- Contributed to the research ideation by actively designing iterative approaches to experiment on the researched classification method.
- Employed state-of-the-art Machine learning algorithms to perform the classification task.
- Implemented iterative approaches, ran the experiments, analyzed the results, and wrote the papers.
- Actively participated in presenting for two research conferences where our papers got published.

Emon, "**Comprehensive Geospatial and Statistical Analysis of Restaurant Distribution Using K-means Clustering in Machine Learning Technology**," 2024 4th International Conference on Advancement in Electronics & Communication Engineering (AECE), GHAZIABAD, India, 2024, pp. 461-466, doi: 10.1109/AECE62803.2024.10911593.

PROFESSIONAL EXPERIENCE

• Cognifyz Technologies Internship

Machine Learning (Intern)

June-July, 2024

- Assist in analyzing, cleaning, and interpreting data to gain meaningful insights.
- Support the development and implementation of machine learning models.

ACADEMIC PROJECTS

- **E-commerce Recommendation System (GitHub)**: An element-by-element collaborative filtering following with the Machine Learning Technology.
- **Predict Restaurant Ratings (GitHub)**: To build a machine learning model to predict the aggregate rating of a restaurant based on other features. [Presented at 4th International Conference on Advancement in Electronics & Communication Engineering AECE – 2024, IEEE]

- **Location based Analysis of the Restaurants with K-means Clustering** (*GitHub*): Perform a geographical analysis of the restaurants. [Presented at 4th International Conference on Advancement in Electronics & Communication Engineering AECE – 2024, IEEE]
- **Credit Card Fraud Detection** (*GitHub*): Accuracy analysis of Credit Card Fraud Detection by Gaussian Naive Bayes, Decision Tree (ID3), Support Vector Machine, Logistic Regression, Random Forest Classifier, and XGBoost Classifier Algorithms.
- **Medicine Recommendation System** (*GitHub*): A ML focused system to extract features from given patients description and suggesting relevant medicines from the database according to symptoms.

SKILLS

- **Languages:** Python, C
- **DL/ML Libraries:** TensorFlow, Keras, Scikit-learn, OpenCV
- **Data Visualization:** Matplotlib, Seaborn
- **Technology:** Git
- **Web Programming:** Python (Flask), Nodejs
- **DBMS:** Oracle, MySQL
- **Operating System:** Linux (Ubuntu), Windows

CERTIFICATIONS

- Software Engineer - HackerRank
- Software Engineer Intern - HackerRank
- Web Development Fundamentals - IBM-SkillsBuild
- Accenture North America- Coding & Engineering Job Simulation - Forage
- IBM SkillsBuild Internship- Data Analytics - CSRBOX
- Problem Solving (Basic), (Intermediate) - HackerRank

HONORS & AWARDS

- **The Chancellor's Scholarship** August, 2020 - July, 2024
— Fully funded scholarship jointly contributing to complete academic expenses, awarded by Jain (Deemed-To-Be University) for outstanding academic performance.
- **Study in India (SII) Scholarship** August, 2021 – July, 2024
— Fully funded scholarship jointly contributing to complete academic expenses, awarded by the Government of India through a globally competitive examination for international students demonstrating academic excellence.

VOLUNTEER EXPERIENCE

- **Organizing Secretary at Jain Foss Club** Jain (Deemed-To-Be University), India
Conducted various activities on CSE Department students. Jan 2022 - Jan 2023
- **Assistant General Secretary at CSE Association of Jain** Jain (Deemed-To-Be University), India
Organized annual events within department along with the guidance of seniors and teachers. Feb 2021 - dec 2021
- **General Volunteer at Volunteer for Bangladesh** Present
